

SERVING THE COMMUNITY

A "Night with Santa" is one of many special events the Dept of Park and Recreation hosts during the year, all of which are free of charge. In this way, we are improving the quality of life in the community and nurturing family time together.

Last year's attendance at "A Night with Santa" reached 5,000 people, which was an increase of 1,500 from the previous year. It has been increasingly difficult to continue to provide all the services that are needed due to increasing costs and the current economic environment. The Dept. of Park and Recreation feels it is an important event worth providing, now more than ever.

If you can donate in any way, please complete the Sponsor Application form and return. For more information on the event, contact the Department of Park and Recreation at 316-268-4361.

*No donation too small!
Any amount helps us reach our goal of
providing a fun and worthwhile event
for the children.*
